

PLANNING SECTION CHIEF – S 440

Presented by Stanislaus County Office of Emergency Services

- When: May 4 through May 6, 2009
0830 – 1700 hours
- Where: Stanislaus County Office of Emergency Services
3705 Oakdale Rd.
Modesto, CA 95357
- Fees: No charge (Funded through FY09 Homeland Security Grant)

Registration Online: <http://www.scoes.info>

Description: The course will provide operational-level training for EOC or DOC Plans and Intelligence Section staff serving as the Planning Section Chief. Topics include information gathering, strategies, conducting meetings and briefings, incident action plan, interactions, forms, documents, supplies, and demobilization. The course is 20 hours and attendees will receive National Wildfire Coordinating Group (NWCG) certification.

Instructors: Judy Forbes served as a Type 1 Planning Section Chief for 15 years and has over 30 years experience in the Federal Fire Service. Judy is qualified as a lead instructor with 20 years experience training the Incident Command System. Robert Klinoff is qualified as a Safety Officer Type 1 and Incident Commander Type 2. Bob has over 33 years experience in the fire service including Emergency Operations Center experience as the Director, Operations Section Chief and Branch Director.

Target Audience: Personnel assigned to a Plans & Intelligence Section in an Emergency Operations Center or Department Operations Center during disaster response. Class size is limited. Registration priority will be for Stanislaus Operational Area personnel.

Pre-requisite: Completion of: ICS 300 / ICS 400

Space is limited, so early registration is recommended.
