Proudly Presents

**Katherine West**

**Designated  
Infection Control  
Officer,  
Advanced DICO,  
and Train-The-  
Trainer  
Courses**

**March 15-18, 2010**

## The Courses

### Designated Infection Control Officer (DICO)

This two-day course is designed to prepare the infection control officer to fully meet the requirements of the position under NFPA 1581, OSHA, and the Ryan White Law.

### Advanced DICO

This course deals with updating disease information and law/regulations; statistical data collection and reporting; product evaluation; conducting cost/benefit analysis; and program evaluation.

### Bloodborne Pathogens Train-The-Trainer

This one-day course is designed to train your department training staff to teach the OSHA bloodborne pathogens and tuberculosis curriculum.

### Continuing Education

DICO—16.0 hours

Train-the-Trainer—8.0 hours

Advanced DICO—8.0 hours

### About the Instructor

Katherine West, BSN, MSEd, CIC is a nationally recognized expert in the field of infection control. She has been a consultant to the Centers for Disease Control, National Institute of Health, and the National Institute of Occupational Safety and Health. She has written national training materials for the fire service, law enforcement, emergency medical services, medical, and dental professionals. She is widely published in books and journal articles.
